The Medical Service Corps supports Navy Medicine's readiness and health benefits mission. It is the most diverse Officer Corps in Navy Medicine with 31 specialties organized under three major categories: Healthcare Administrators, Clinical Care Specialties, and Healthcare Scientists. There are over 3,000 active and reserve MSC officers that serve at Military Treatment Facilities, on ships, with the Fleet Marine Force, with Seabee and special warfare units, in research centers and laboratories, in a myriad of staff positions with the Navy and Marine Corps, and with our sister services around the world.
